

Team Yachting

Sail Moreton Bay on a skippered Sydney 36 'Turbo' yacht for an unrivalled sailing experience.

Experience exhilarating speed, exceptional performance and cruising comforts that only a Sydney 36 'Turbo' yacht can deliver.

Build your team.

Team Yachting – Corporate charter

Sailing packages are available for all corporate needs including team building, product launches, performance sailing, client entertainment and information days. A Sydney 36 'Turbo' package is a great way to reward and motivate valuable staff, clients and business associates.

Launch new products or ideas onshore followed by a number of hours on the water with a qualified skipper to try the sport of sailing. This can be followed by lunch and/or another information session. There are many options available.

Take up to eight team members for a team building exercise which can include a classroom briefing, then several hours on the yacht with the skipper guiding you through a series of water exercises and challenges. A debriefing session completes the day.

Team Yachting– Match Racing

With two Sydney 36 'Turbo' yachts in the Team Yachting fleet , these yachts are available for team match racing.

Identical, state-of-the-art yachts racing against each other, pitting crew against crew and crews working as a team on each yacht.

It's not the average work function, its totally different, exhilarating and a great learning experience. Use it to reward and motivate or build and strengthen teams within the workplace.

Team Yachting— Racing Sponsorship

As one of the most advanced yachts regularly racing from the Royal Queensland Yacht Squadron, there will be an opportunity to sponsor the Sydney 36 'Turbo' for regular racing programs.

The race program can be tailored to your requirements. The yacht will carry the corporate logo of the sponsor for this period.

Contact us for more details on how we can enhance your corporate image with a racing sponsorship package.

Team Yachting – WAGS

WAGS sailing races are held on Wednesday afternoons on beautiful Moreton Bay.

Start with a magnificent lunch at a waterfront restaurant at Manly and then head to the race start at 2.00pm.

Try to catch the fleet with a little help from the skipper of course.

After a great afternoon on the water head back to the dock for a drink and a little boasting.

Team Yachting- Charter Costs

The following prices are supplied as a guide only as charter costs vary according to requirements for staff, training, food and beverage. A quote will be supplied once we have ascertained your specific requirements.
